

Registration for the 4th annual Day of Insects at Reiman Gardens on March 24th 2012 is now online:

<http://www.reimangardens.iastate.edu/index.cfm?nodeID=5693&audienceID=1&action=detail&ventid=34906>

We are using a new online registration system this year, if you have any problems with the registration please call the Reiman Gardens Front Desk at 515-294-2710.

If you are unfamiliar with DOI, the day is filled with presentations from professionals, academics, advocates, and enthusiasts covering a range of insect related topics. From beginners to seasoned veterans, DOI has something for anyone interested in or involved with insects.

Since the first DOI we have announced something new each year and this year is no exception. For this DOI we are going to try an opening reception on March 23rd, the evening before DOI. Come be casual, enjoy a spaghetti dinner, get to know other insect enthusiasts, there's more of us than you think. Anyone attending DOI can sign up to attend the reception and there will be some slots made available for individuals unable to attend DOI so they can participate as well. Registration for the reception can be completed on the link listed above.

The schedule for the March 24th 2012 Day of Insects is posted on line.

See you March 24th at Reiman Gardens for the 4th annual Day of Insects.
